## Report of Principal and School Improvement Council

St. John's Elementary, a Title 1 school, had a productive 2013-2014 school year. The school continued to work collaboratively with parents, and the community to promote excellence in academics, athletics, attendance, attitude, and the arts. Balanced literacy instruction, a first grade reading interventionist, Fast Forward, ALEKS, Kahn Academy, workstations, Math Rit band groups, Accelerated Reader, Wilson, Success Maker and Compass lab programs were provided for students to strengthen academic performance. St. John's was recognized as a Title 1 Reward School for Performance.

Forty four students were invited to attend the All A Team banquet. Two students earned all A's for five consecutive years. Twenty nine students were inducted in the National Beta Club. One student was recognized for having perfect attendance for six years. Honor Roll students were recognized quarterly throughout the year. Identified students who excelled in SCPASS Math were invited to attend DSAP. All students participated in the annual Science Fair. Students read independently throughout the year and were recognized once they read 100 books in the Principals' Reading Club. One first grade student read over 700 books! Students who diligently practiced math facts were inducted into the Principal's Math Club.

The student body supported the community by sponsoring the annual Christmas Can Food Drive, participating in the St. Jude's Math-a –thon and by hosting our first annual Red Cross Blood Drive. Student Council officers assisted during the quarterly Spirit Day Assemblies, the Fall Festival, and Awards Day. Student Marshals and Flag Corps team members provided leadership opportunities for students. The annual Fall Festival, Spring Talent Show and Field Day celebrations provided opportunities for community involvement and participation.

District led ELA, Math, Science, and GT Social Studies sessions were held during the school year to strengthen teacher knowledge and instruction of the standards. Common Core staff development sessions were held. The school wide PBS model continued to acknowledge appropriate student behavior. Morning math and reading tutorial services were provided for students. After school computer lab sessions were provided for identified third, fourth and fifth grade students. All first through fifth grade students participated in daily thirty minute Success Maker or COMPASS sessions to improve their reading and math skills. St. John's earned a Growth rating of Average and an Absolute rating of Average for the 2012-2013 school year. Debi Slone was recognized as Teacher of the Year. Matelon Cummings was recognized as Educator of the Year and Gretchen Johnson was recognized as Assistant of the Year.

The Association of Parents and Teachers, the School Improvement Council and numerous business partners worked collaboratively to continue our tradition of excellence, serving the Darlington Community since 1818.

# ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	82.3
Overall Grade Conversion	В

Index Score	Grade	Description
90-100	Α	Performance substantially exceeds the state's expectations.
80-89.9	В	Performance exceeds the state's expectations.
70-79.9	С	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
